

Services We Provide

Designs 3D / 2D

At Nature Works By Design, LLC, we specialize in 2D and 3D landscape designs that are affordable, comprehensive, and detailed. Our team of experienced professionals will work closely with you to ensure that your vision becomes a reality. We offer Traditional, Rustic and Modern Landscape designs for Landscapes in the Texas Hill Country and Coastal Regions with a focus on drought tolerant plants and sustainable materials. Contact us today to schedule a consultation and let us bring your dream outdoor space to life.

Masonry / Hardscapes

Creating a beautiful landscape isn't just about plants and flowers. Our custom Masonry and Hardscaping services add value to your property by creating functional spaces that are stunning to look at. You can be confident in the structural soundness of every masonry project we take on. Our team will provide drainage control solutions that will protect against erosion and control runoff, creating a lasting solution for your outdoor living space.

Landscapes / Irrigation

Transform your outdoor space with our expertly designed landscapes. We specialize in using native plants that thrive in the Texas Hill Country, making your yard a low-maintenance, water-conserving oasis. Our team can also install a customized irrigation system to ensure your plants and lawn stay healthy and beautiful.

Water Features / Ponds

Bring the serenity of Water Features and Ponds to your Landscape. Our expert team is skilled in creating beautiful water features and Ponds that are visually stunning and low maintenance. We specialize in year-round designs. Pool Water Features, Stand Alone Water Features, Koi Ponds and more.

Carpentry / Wood Work

Do you have a Carpentry project that you've been dreaming of having installed? Nature Works By Design, LLC is here to bring it to life. We go beyond standard carpentry projects to create custom and complex installations based on your vision. Contact us today to see how we can help make your dream outdoor space a reality.
